Payment achieved status par based hota hai, na ki is baat par ki beneficiary ne benefit receive kiya hai ya nahi.

Agar rate card "docket submitted" status ke liye payment specify karta hai, to aapko payment mil jayega jab applications is stage tak pahunchenge.

Is case mein, beneficiary ko benefit receive karne mein lagne wala time aapke payment ko affect nahi karega.

Halaanki, hamesha current rate card verify karein kyunki projects ke beech policies badal sakti hain.

Apne saare docket submitted applications ke accurate records rakhein, agar verification ki zarurat pade to.
